INTERNSHIP / TRAINING EXPERIENCE

Meta Front-End Developer Professional Certificate – Coursera August 2025

- Completed Meta Front-End Developer Professional Certificate covering responsive web development.
- Built a Skills Tracker with real-time progress monitoring, a gamified badge system, and points-based achievements.

PROJECTS

CareerPrep <https://github.com/Akshat9205/CareerPrep> **Apr 2026 – July 2026**

- Created **CareerPrep**, an AI-powered platform for English learning, interview preparation, resume ATS analysis, and internship recommendations.
- Implemented features including mock interviews, personalized learning paths, and resume keyword analysis.
- Tech Stack:** React.js, Tailwind CSS, Node.js, Express.js, MongoDB, JWT Authentication.

ShareCare: Multi-Resource Donation Platform https://github.com/Gauravmittal9205/Multi_Resource_Donation **Dec 2025**

- Developed a multi-resource donation platform connecting verified NGOs with donors
- Integrated OTP-based two-step authentication to ensure secure user access.
- Built an admin dashboard to approve NGOs, validate donation requests, and assign donors
- Enabled transparent donation tracking for resources like food, clothes, books, and medicines

UniMate: Roommate & Housing Matchmaking Platform <https://github.com/Akshat9205/UniMate> **Feb 2026**

- Designed multi-step preference forms and secure backend APIs for personalized recommendations
- Developed a preference-based roommate matching system using weighted similarity scoring.
