EDUCATION

Bachelor of Technology in Computer Science, GLA University, Mathura, CPI: 8.18	June 2027
Intermediate, Gayatri Public School, Agra, 79.6%	May 2023
High School, Gayatri Public School, Agra, 92.6%	May 2021

INTERNSHIP / TRAINING EXPERIENCE

Meta Front-End Developer Professional Certificate – Coursera	August 2025
- Completed Meta Front-End Developer Professional Certificate covering HTML, CSS, JavaScript, React, Git, and responsive web development. - Built a Skills Tracker with real-time progress monitoring, gamified badges, and point system, enabling users to track 100+ learning milestones.	

PROJECTS

CareerPrep	https://github.com/Akshat9205/CareerPrep	Apr 2026 – July 2026
- Created CareerPrep, an AI-powered platform for English learning, interview preparation, resume ATS analysis, and internship recommendations. - Implemented features like mock interviews, personalized learning paths, resume keyword analysis etc. Tech Stack: React.js, Tailwind CSS, Node.js, Express.js, MongoDB, JWT Authentication.		
ShareCare: Multi-Resource Donation Platform	https://github.com/Gauravmittal9205/Multi_Resource_Donation	Dec 2025
- Developed a multi-resource donation platform connecting verified NGOs and donors - Integrated OTP-based two-step authentication to ensure secure user access. - Built an admin dashboard to approve NGOs, validate donation requests, and assign donors - Enabled transparent donation tracking for resources like food, clothes, books, and medicines		
UniMate: Roommate & Housing Matchmaking Platform	https://github.com/Akshat9205/UniMate	Feb 2026
- Designed multi-step preference forms and secure backend workflows for personalized recommendations - Engineered an ML-based roommate matching system using preference weighting and similarity scoring to recommend compatible matches
